## Farofa's Educational Outreach

With its rich and syncopated rhythm and its often voluptuous dance moves, samba has circled the globe as one of the most infectious and popular styles from the South American continent.

## **Program:**

45 to 50min workshop for Middle School and High School Level

## **Highlights:**

- The team will bring basic information about Brazil's history, geography and music, where the students will also be exposed to the Portuguese language.
- Throughout the workshop, the band will perform short pieces of each rhythm explained and the students will be invited to engage by clapping, stomping and singing different rhythmic patterns, discovering the human body as a fun percussion instrument.
